

## Comprehensive List of Toll Authorities in Texas

The entities below have the authority to enter into a CDA with a private entity.

**STATEWIDE TOLL AUTHORITIES:** (The Texas Transportation Commission oversees and has authority over all activities of the TTA):

1. Texas Turnpike Authority Division of TxDOT

**REGIONAL TOLL AUTHORITIES (Ch 366):** (The Texas Transportation Commission authorizes the creation of an RTA unless a proposed county in the authority has a population of greater than 1.5 million):

1. North Texas Tollway Authority

**REGIONAL MOBILITY AUTHORITIES (Ch 370):** (The Texas Transportation Commission authorizes the creation of an RMA):

1. Alamo Regional Mobility Authority
2. Cameron County RMA
3. Camino Real RMA
4. Central Texas RMA
5. Grayson County RMA
6. Hidalgo County RMA
7. Northeast Texas RMA
8. Sulphur River RMA

**COUNTY TOLL AUTHORITIES (Ch 284):** (The Texas Transportation Commission plays no role in the development of a CTA):

1. Harris County Toll Authority
2. Brazoria County Toll Authority
3. Chambers County Toll Authority
4. Collin County Toll Authority
5. Ft Bend County Toll Authority
6. Montgomery County Toll Authority
7. Waller County Toll Authority

Chapters 363, 364, 365, and 367 also allow for development and operation of tolled facilities. A comprehensive list of the entities operating these facilities is forthcoming. These entities do not have the expressed ability to enter into a CDA with a private entity. (Other than The Transportation Commission's authorization of a road utility district, they are not involved in the creation of the entities that develop these projects).

They include:

Ch 363 - County Toll Bridges

Ch 364 - Toll Bridges in Counties Bordering the Rio Grande

Ch 365 - Road Districts

Ch 367 - Municipal Toll Bridges over the Rio Grande
